

NATIONAL ACADEMY OF PERFORMING ARTS

(A Company set up under section 42 of the Companies Ordinance 1984)

VISION

A society in Pakistan that preserves its rich civilizational heritage, that respects diversity and encourages creativity in the performing arts and in artistic expression.

MISSION STATEMENT

To become and remain an institution of excellence which provides qualitative education, rigorous training and new opportunities for youth and individuals for progressive advancement in all spheres of the performing arts.

OBJECTIVES

- Nurturing the talent available across the country and providing them opportunity (and the platform) to perform in their respective fields under the supervision of renowned practitioners.
- Promoting the rich cultural heritage of Pakistan by producing dramatic and musical performances of high quality at regular intervals.
- It is our ambition that along with training the students imbibe a sense of culture so that their creative efforts are channelled towards discovering expressions worthy of our heritage.
